Office of Information

Dear Sirs,

I would like to know if you have any information on unidentified flying objects. Because sometimes at night some friends and I look up at the sky and we, when the sky is clear, can barely but distinctly see something in the air. I don't know what they are but one thing for sure they aren't airplanes or jets. If there is any information available at this time send your reply to the address of the following.

Mr. [REDACTED]

This information is very important to me and any thing that you have large or small will be significant and appreciated.

Sincerely Yours,

Mr. [REDACTED]
